IMPORTANCE OF HONESTY STATEMENT

The Lee County Sheriff's Office is seeking applicants who demonstrate certain characteristics. Honesty is the most important characteristic you must demonstrate. It is extremely important that you are completely honest in all of your answers. **The importance of honesty as you complete paperwork and during all interviews cannot be overemphasized. Failure to respond to any question truthfully, whether orally or in writing, will result in disqualification. Many applicants have been disqualified for dishonesty.** While filling out documents, you are cautioned to take your time, to be thorough, and to be specific in all your answers. If you have any doubt in your mind concerning a particular question or if you are unsure whether to include certain information, the answer is "Yes"; include it.

You may think that something you have done will disqualify you from further consideration; it may or may not. What will certainly disqualify you is lying or distorting the truth.

Applicant's interviews may be recorded.

It is the applicant's responsibility to ensure their application is up-to-date at all times. **If any changes occur on the application after submission to the Lee County Sheriff's Office and/or during your application process, you, the applicant, must notify us in writing of such changes immediately.** Examples include but are not limited to the following: personal contact information, Driver License status, arrests, employment, discipline at work, employment investigations, civil or criminal investigations, etc.

Applicants should be aware that per Florida Administrative Code 11B-27.0011, titled "Moral Character" that falsifying an employment application may result in the suspension or revocation of your Florida law enforcement certification, thereby disqualifying you from employment as a law enforcement/correctional officer within the state of Florida.

PHYSICAL ABILITIES TEST

The Physical Abilities Test (PAT) OF Florida is consistent with national models and industry standards and is locally validated based on statewide statistics. Components of the test were designed to simulate actual tasks and essential knowledge, skills and abilities required of the job and are conducted in a continuous flow manner that is time-dependent in order to determine the participant's level of physical condition and aerobic capacity while simulating the physical aspects of the job. These skills were identified through job task analysis and a review of critical job responsibilities requiring physical proficiency. Five primary components, in order to simulate essential functions of an entry level criminal justice officer, were identified and incorporated into the PAT:

1. exiting a vehicle/opening a trunk;
2. running 220 yards;
3. completing an obstacle course;
4. dragging a 150 pound dummy;
5. obstacle course;
6. running 220 yards;
7. dry firing a weapon six times with each hand; and
8. placing items in a trunk/entering a vehicle.

Applicants begin the PAT seated in a full size automobile with their seat belt on, their hands on the steering wheel at the ten and two o'clock positions. Each applicant wears a pull away flag belt, with a flag over each hip, around his or her waist. The trunk key is in the vehicle's closed glove compartment. A handgun and a baton are lying in the vehicle's closed trunk.

Task 1:

Remove your hands from the steering wheel, unfasten the seat belt, open the glove box compartment and take the key out. Get out of the car and go to the trunk (the glove box and door are left open), insert the key, unlock and open the trunk. You must use the key to open the trunk.

Touch each flag with the opposite hand from behind your back and take the belt off. Remove the handgun and baton from the trunk. Close the trunk, leaving the key in the lock. Move toward the bench or stool. Place handgun on the stool; keep baton.

Task 2:

Run 220 yards on a flat surface toward the obstacle course

Task 3:

Enter the obstacle course, climb over a 40" wall, run ten feet, and jump over three hurdles (24", 12" and 18") spaced five feet apart. Run ten feet and enter the serpentine.

Run through nine pylons placed in a single row, five feet apart. Run ten feet toward the low crawl, drop to the ground and crawl eight feet under a 27" open air barrier; drop the baton beside the last low crawl pylon.

You must stop and repeat any portion of the obstacle course if you knock over a hurdle or pylon.

Task 4:

Stand up and sprint 50 feet. Grab the 150 pound dummy and drag it 100 feet on a cut grass surface.

Task 5: Drop the dummy and sprint 50 feet toward the pylons. Drop into a low crawl and pick up the baton. Enter the obstacle course in reverse; low crawl eight feet under a 27 inch high open air barrier, stand up and run ten feet toward the serpentine. Run in a serpentine manner through nine pylons placed in a single row, five feet apart. Run ten feet and jump over three hurdles (18", 12" and 24"). Run ten feet and climb over a 40" wall.

Task 6:

Run 220 yards

Task 7:

Place the baton on the bench, pick up the handgun and assume proper firing position. Fire six rounds, first using dominant hand and then firing six rounds with supporting hand.

Task 8:

Pick up the baton (keeping the gun) and run to the trunk, turn the key and open the trunk.

Place the weapon and baton inside the trunk, close trunk and remove the key from the lock. Run to the driver's side door and enter the vehicle. Close the door, place the key in the glove compartment and close it. Securely fasten your seat belt and place your hands on the steering wheel at the ten and two o'clock positions

Applicant must complete the course in 6:04
