TEEN DRIVER CHALLENGE

"Teen Driver Challenge" teaches techniques and lifesaving skills used by professional drivers in a "hands-on" driving environment. Students learn

vehicle dynamics, safe driving practices and responsible decision making through the classroom and

driving exercises. Students participate in "The Seatbelt Convincer" (an interactive simulator) geared towards simulating a 5-7 mile per hour crash.

The course is additionally designed to provide young drivers with a better understanding of their vehicle, of changing road conditions and of their responsibilities as members of the driving community.

For questions regarding the Teen Driver Challenge, please call (239) 561-TEEN (8336) or email

teendriverchallenge@sheriffleefl.org.

Recently, Sheriff Marceno dispatched the Lee County Sheriff's Office's Ice Cream Response Truck to scoop up treats for our

monthly “Do The Right Thing” winners at Heights Elementary and, as you can see, it was a “sweet” day for everyone!

BOOK READING AT OCEAN CHURCH ACADEMY

The Lee County Sheriff's Office Animal Cruelty Task Force visited the children at the Ocean Church Academy and read to them.

Following the book reading, the children were treated to ice cream cones distributed by our Ice Cream Response Team.

Lieutenant Hope was, as is usually the case at school events, on-hand to meet, greet and kiss all of the children.

"HANDS ONLY" CPR

The Lee County Sheriff's Office Community Response Unit partnered with Captain B. Scott Roy from Lee County

Emergency Medical Services to give the gift of knowledge for life saving skills. During this Hands Only CPR Lunch and Learn, held at our Coconut Point Mall Community Outreach

Center, local residents learned skills to help respond to a cardiac emergency.

Afterwards, everyone enjoyed a delicious lunch generously donated by California Pizza Kitchen.
